

EMPOWER THYSELF INITIATION

EMPOWER YOUR LIFE WITH
ANCIENT SECRETS OF THE SAGES

WHAT IS INITIATION?

“A system to deliver and anchor the light
inside of you.”

Sovereign Ipsissimus Dave Lanyon

To 'initiate' means to begin a process, to start something. Initiation sets forces in motion for your own personal metamorphosis, transformation and spiritual journey. All of your own experiences & knowledge of your journey up to this point are only enhanced with the knowledge, keys and energy received through the Modern Mystery School initiation process.

Initiation serves to ground the spiritual energies you are wielding such as light, power and protection. These forces become anchored into your energy field so that you will be able to readily access these energies through your mental, emotional and physical capacities to support you in daily life choices, tasks and actions.

The handing down of knowledge that prepares you for initiation creates a template for living an empowered life, opening up the potential to master yourself and create the life which you truly desire. The initiation then activates this knowledge with spiritual power to support you to be in alignment with your highest and best good, to live out your purpose here on earth. The advancement of your connection with yourself is the process known as Know Thyself. Initiation advances and catalyses this process, revealing your highest purpose and the potentialities available to you in your life.
